

TASTE OF VALDOSTA EXHIBITOR EQUIPMENT FORM

RESTAURANT NAME _____

OWNER OR MANAGER _____

In order to have the proper electrical outlets for your booth, please list any APPLIANCES you will be using, the amperage it uses and the type of adapter it requires. Responsibility for determining if electrical service and your adapter are compatible rests with the restaurant.

Appliance	Electrical Requirements	Amperage	Adapter
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

The facility provides one outlet with 20 amp/110 volt capacity. A power strip may be used. Additional 110 volt outlets are available at \$35.00 each.

A 220 volt outlet is available for \$125. Please note there are only five 220 volt outlets in the exhibition hall and they will be provided in the order requested.

(If you request a 220 volt outlet, please come by the Conference Center at least 2 weeks prior to the Taste to view the outlet locations with the Center's operations staff.)

Vendors are encouraged to provide their own skirts and tablecloths for their booths. However, if a vendor needs to rent tableskirts from the Conference Center, please indicate so on this form. Skirts are available at \$12.50 per table. (There are 3 tables per booth.) The majority of available skirts are black. There is a *very limited* number of colored skirts. At the present, there are enough red skirts for one booth and blue skirts for 3 booths. There are also white skirts. Colored skirts will be provided based on the order of the request. If you are interested in skirting or other linens in additional colors or styles, please order those at least *3 weeks prior to the Taste* so that the Conference Center can provide pricing.

Outdoor space for parking lot displays is available at \$500 per spot. There are only 2 outdoor spots, possibly 3 depending on the size of the automobile, etc displayed and they will be assigned in the order requested.

Additional 110 volt outlet	_____ @ \$35/each	total \$ _____
